

### **Man of the Bright Blue Color (*lyrics*)**

I can drive all night on a smoke and a pint  
Drive all day on a dollar  
I don't give a damn cuz here's what I am.  
I'm the man of the bright blue color

I can play your game and all lthe same  
I can turn your knees to butter  
If you don't believe me listen to my name  
I'm the man of the bright blue color

She's a little uptight and none too bright  
She's just an old time floozy  
She's ready all night to fuck or to fight  
She never was too choosy

I can drive all day on a smoke and a pint  
Drive all day on a dollar  
I don't give a damn cuz here's what I am  
I'm the man of the bright blue color
