

(2024 November 14) Hurt People Hurt People - Joubert (Planet: Critical)

<https://youtu.be/Ot5bTxsGh90?si=SsD7jGw6czIlpvft>

My Comments to this podcast:

Thanks for getting past the questionable Social Psychology/Depth Psychology equivalence, the deceptive Therapeutics/Ecology metaphor and the simplistic Self-Help blame-the-victim bs to talking about somehow getting people back to earth, grounded, actually getting our hands back in the dirt we come from and return to - a humbling task when billions of us (especially our power brokers and those in the cockpit) are urban beings sorely out of touch with terrestrial material reality.
